

REMARKS

In the response to the requirement for election and restriction made in the Office Action mailed on 26 March 2008, Applicants provisionally elected Group I, namely, claims 1-4, 6, 9-13, 15-17 and 20-22, the species A subspecies (a2), namely, MCM-22, PSH-3, SSZ-25, ERB-1, ITQ-1, ITQ-2, MCM-36, MCM-49 and MCM-56, with traverse, for examination.

In a preliminary amendment, previously made of record, claims 5, 7-8, 14, and 18-19 were cancelled.

In response to Examiner's further requirement for election of a single subspecies (a2) of species A, Applicants hereby further elect the single subspecies drawn to MCM-22. Claims 6 and 23-31 are hereby withdrawn. The pending claims are now claims 1-4, 6, 9-13, 15-17 and 20-22.

Dependent claim 16 is amended herein to correct a claim dependency.

The instant application is believed to be in order for examination on the merits, and a speedy notice of allowance or another Office Action on the merits is respectfully requested. Applicants request a personal or telephone interview with Examiner to address any outstanding issues.

Respectfully submitted,

Date: 11 August 2008
